Confection 360, the perfect partner for all your confectionary needs

Speed

10 business day manufacturing lead time.

Quality

We use premium imported Italian chocolate, except for products with an asterisk*, which denotes products that are an Italian chocolate compound with quality cocoa that does not utilize cocoa butter and are therefore defined as chocolate flavored.

Custom Packaging

Work directly with our design team to make a product exactly how you want it.

Service

We handle batches of all sizes from small specialty runs to mass production.

Ethically & Sustainably Sourced

Our chocolate uses Fair Trade Ingredients, Rainforest Alliance Cocoa, and is UTZ Certified.

Product Selection

We have a variety of chocolate shapes, sizes, and toppings to help you find the right fit for your needs.

Creation

Our team has experience with developing new packaging materials and processes, including being issued several patents.

Shipping

FOB in Richmond, VA or quotes* can be provided for using our trusted shipping partners. Insulated boxes and/or refrigerated services are available and may be necessary for warm months.
